Statement of Understanding for Issued Equipment

I understand that I am being issued equipment from the Mesa County Fire Authority. This equipment is listed on the individual equipment inventory checklist in the new member packet. I understand that it is my responsibility to ensure my equipment is maintained, cleaned and serviced within my ability. I will be held accountable for lost equipment or equipment that is damaged due to my own negligence. If equipment or items issued to me require replacement or maintenance beyond my ability, I will immediately notify the Chief or another officer.
